

Label	Variable	Class	Description	Values	Label
Case ID	id	Factor	Unique identification number assigned when case created		
Type	type	Factor	Type of entry: case, method or organization.		
Title	title	Factor	Title of Participedia case entry		
Link	url	Factor	Link to the projects' entry in Participedia		
Description	description	Factor	Brief description of the project (280 characters or less)		
Featured	featured	Factor	Featured entries appear at the top of the homepage/search	0 1	No Yes
Date Post	post_date	Factor	Date case was first submitted		
Date Updated	updated_date	Factor	Date case was last modified by a registered Participedia user		
Creator ID	creator_id	Factor	ID number of registered user who first submitted the entry		
Creator Name	creator_name	Factor	Username of registered user who first submitted the entry		
Creator Profile	creator_profile_url	Factor	URL of entry creator's Participedia user profile page		
Update Id	last_updated_by_id	Factor	Name of registered Participedia user who last modified the case entry		
Update Name	last_updated_by_name	Factor	Username of registered user who last modified the case entry		
Update Profile	last_updated_by_profile_url	Factor	URL of entry modifier's Participedia user profile page		
Language	original_language	Factor	Language the entry was first submitted in		
Address 1	address1	Factor			
Address 2	address2	Factor			
City	city	Factor	City where the primary case activities occurred		
Province	province	Factor	Province where the primary case activities occurred		
Postal Code	postal_code	Factor	Postal code information		
Country	country	Factor	Country where the primary case activities occurred		
Latitude	latitude	Numeric	Coordinates information		
Longitude	longitude	Numeric	Coordinates information		
Component ID	is_component_of_id	Factor	Unique identification number assigned when case created		
Component Title	is_component_of_title	Factor	Title of Participedia parent case entry		
Component URL	is_component_of_url	Factor	URL of Participedia parent case entry		
Method Title	specific_methods_tools_techniques_titles	Factor	Titles of Participedia method entries		
Component Title	has_components_titles	Factor	Titles of Participedia case entries		
General Issue 1	general_issues_1	Factor	Most relevant issue addressed in the project or event		
General Issue 2	general_issues_2	Factor	Second most relevant issue addressed in the project or event		
General Issue 3	general_issues_3	Factor	Third most relevant issue addressed in the project or event		
Specific Topics 1	specific_topics_1	Factor	Most relevant specific topic addressed in the project or event		
Specific Topics 2	specific_topics_2	Factor	Second most relevant specific topic addressed in the project or event		
Specific Topics 3	specific_topics_3	Factor	Third most relevant specific topic addressed in the project or event		
Scope of Influence	scope_of_influence_1	Factor	Geographical or jurisdictional scope of the case		
Date Start	start_date	Factor	Start date or date of single event		
Date End	end_date	Factor	End date if applicable		
Ongoing	ongoing	Factor	Current status of the project or event	0 1	No Yes
Time Limited	time_limited	Factor	Type of event or project occurrence	a repeated	Single event Repeated over time
Purpose 1	purposes_1	Factor	Most relevant purpose of the project or event		
Purpose 2	purposes_2	Factor	Second most relevant purpose of the project or event		
Purpose 3	purposes_3	Factor	Third most relevant purpose of the project or event		
Approach 1	approaches_1	Factor	Most relevant approach of the project or event		
Approach 2	approaches_2	Factor	Second most relevant approach of the project or event		
Approach 3	approaches_3	Factor	Third most relevant approach of the project or event		
Public Spectrum	public_spectrum	Factor	Goal from the IAP2 Spectrum of Public Participation that the case best represents		
Number of Participants	number_of_participants_1	Factor	Number of participants in the project or event		
Open call	open_limited	Factor	Participation open to all or limited to a subset of the population		
Method of recruitment	recruitment_method	Factor	Method used to recruit a limited subset of the population		
Targeted Participants 1	targeted_participants_1	Factor	Most heavily recruited group		
Targeted Participants 2	targeted_participants_2	Factor	Second most heavily recruited group		
Targeted Participants 3	targeted_participants_3	Factor	Third most heavily recruited group		
Type of Method 1	method_types_1	Factor	Most relevant method of the project or event		
Type of Method 2	method_types_2	Factor	Second most relevant method of the project or event		
Type of Method 3	method_types_3	Factor	Third most relevant method of the project or event		
Type of specific method 1	tools_techniques_types_1	Factor	Specific methods, tools and techniques used in the case		
Type of specific method 2	tools_techniques_types_2	Factor	Specific methods, tools and techniques used in the case		
Type of specific method 3	tools_techniques_types_3	Factor	Specific methods, tools and techniques used in the case		
Legality	legality	Numeric	Legal nature of the method used in the case	0 1	No Yes
Facilitators	facilitators	Factor	Presence of facilitators in the project or event	0 1	No Yes
Facilitators Training	facilitator_training	Factor	Facilitations level of training		
Face to Face or Online Interaction	facetoface_online_or_both	Factor	Use of online or face to face interaction for the project or event		
Type of Interaction 1	participants_interactions_1	Factor	Most relevant type of interaction used in the project or event		
Type of Interaction 2	participants_interactions_2	Factor	Second most relevant type of interaction used in the project or event		
Type of Interaction 3	participants_interactions_3	Factor	Third most relevant type of interaction used in the project or event		
Learning Resources 1	learning_resources_1	Factor	Types of background information provided for participants		
Learning Resources 2	learning_resources_2	Factor	Types of background information provided for participants		
Learning Resources 3	learning_resources_3	Factor	Types of background information provided for participants		
Learning Resources 4	learning_resources_4	Factor	Types of background information provided for participants		
Learning Resources 5	learning_resources_5	Factor	Types of background information provided for participants		
Decision Method 1	decision_methods_1	Factor	Method used by participants to make decisions in the project or event		
Decision Method 2	decision_methods_2	Factor	Method used by participants to make decisions in the project or event		
Decision Method 3	decision_methods_3	Factor	Method used by participants to make decisions in the project or event		
Decision Method 4	decision_methods_4	Factor	Method used by participants to make decisions in the project or event		
Voting Method 1	if_voting_1	Factor	Voting method used by participants		
Voting Method 2	if_voting_2	Factor	Voting method used by participants		
Voting Method 3	if_voting_3	Factor	Voting method used by participants		
Voting Method 4	if_voting_4	Factor	Voting method used by participants		
Communication of outcomes 1	insights_outcomes_1	Factor	Outlet used to communicate that insights and outcomes from the case		
Communication of outcomes 2	insights_outcomes_2	Factor	Outlet used to communicate that insights and outcomes from the case		
Communication of outcomes 3	insights_outcomes_3	Factor	Outlet used to communicate that insights and outcomes from the case		
Communication of outcomes 4	insights_outcomes_4	Factor	Outlet used to communicate that insights and outcomes from the case		
Primary Organizer ID	primary_organizer_id	Numeric	Unique identification number assigned when organization created		
Primary Organizer Title	primary_organizer_title	Factor	Title of Participedia organization entry		
Primary Organizer URL	primary_organizer_url	Factor	URL of Participedia organization entry		
Type of Organizer 1	organizer_types_1	Factor	Type of organizers or managers		
Type of Organizer 2	organizer_types_2	Factor	Type of organizers or managers		
Type of Organizer 3	organizer_types_3	Factor	Type of organizers or managers		
Funder	funder	Factor	Names of the organizations, government agencies, or individuals who funded the project or event		
Type of Funder 1	funder_types_1	Factor	Type of funder		
Type of Funder 2	funder_types_2	Factor	Type of funder		
Type of Funder 3	funder_types_3	Factor	Type of funder		
Staff	staff	Numeric	Participation of paid staff or consultants	0 1	No Yes
Volunteers	volunteers	Numeric	Participation of unpaid volunteers	0 1	No Yes
Evidence of impact	impact_evidence	Numeric	Evidence of impact of the project or event	0 1	No Yes
Type of change 1	change_types_1	Factor	Most relevant type of change to which the case contributed	changes changes_civic changes_how changes_public conflict	Changes in people's knowledge Changes in civic capacities Changes in how institutions operate Changes in public policy Conflict transformation
Type of change 2	change_types_2	Factor	Second most relevant type of change to which the case contributed	changes changes_civic changes_how changes_public conflict changes changes_civic	Changes in people's knowledge Changes in civic capacities Changes in how institutions operate Changes in public policy Conflict transformation Changes in people's knowledge Changes in civic capacities

Type of change 3	change_types_3	Factor	Third most relevant type of change to which the case contributed	changes_how changes_public conflict	Changes in how institutions operate Changes in public policy Conflict transformation
Type of change 4	change_types_4	Factor	Fourth most relevant type of change to which the case contributed	changes changes_civic changes_how changes_public conflict	Changes in people's knowledge Changes in civic capacities Changes in how institutions operate Changes in public policy Conflict transformation
Type of change 5	change_types_5	Factor	Fifth most relevant type of change to which the case contributed	changes changes_civic changes_how changes_public conflict	Changes in people's knowledge Changes in civic capacities Changes in how institutions operate Changes in public policy Conflict transformation
Type of actors 1	implementers_of_change_1	Factor	Type of actors who played roles in implementing ideas that emerged from this initiative		
Type of actors 2	implementers_of_change_2	Factor	Type of actors who played roles in implementing ideas that emerged from this initiative		
Type of actors 3	implementers_of_change_3	Factor	Type of actors who played roles in implementing ideas that emerged from this initiative		
Formal Evaluation	formal_evaluation	Numeric	Formal evaluation of the case	0 1	No Yes
Body	body	Factor	Detailed description of the case entry		
Number of Files	files_count	Numeric	Number of relevant documents attached to the case entry		
Number of Links	links_count	Numeric	Number of relevant urls attached to the case entry		
Number of Photos	photos_count	Numeric	Number of photos attached to the case entry		
Number of Videos	videos_count	Numeric	Number of videos attached to the case entry		
Number of Audios	audio_count	Numeric	Number of audio recordings attached to the case entry		
Number of Evaluation Reports	evaluation_reports_count	Numeric	Number of evaluation reports attached to the case entry		
Number of Evaluation Links	evaluation_links_count	Numeric	Number of links to the evaluation reports attached to the case entry		
Collection	collections	Factor	Name of Participedia collection
